Resident Thomas Hay stressed his disagreement with vehicle storage at 7220 State Park Road.

Chairman Gauger commented that only the 120 lined parking spaces would be used as it has in past tournaments that were held there.

Commissioner Warden requested a guarantee from Attorney Jason Christopoulos that vehicles will only be stored on the existing parking.

Attorney Jason Christopoulos confirmed that the vehicles will only be stored on the existing parking lot within the existing parking space lines.

Resident Ginger Delagarza expressed her concern of more vehicles than allowed being brought to this location.

Resident Linda Lynch questioned the plan of unloading of vehicles.

Chairman Gauger responded that the unloading would most likely be at the driveway after they reopened up the entry at the North end.

Resident Kevin Loud stated his concern of the property being maintained properly & the number of vehicles that will actually be stored there.

Resident Patrick Hay commented that the Village Board needs to work with Ray Chevrolet and come to a final agreement for vehicle storage so that they are not being moved lot to lot.

Resident Gary Schneiderman stated he does not agree to approve the temporary special use but if it does pass it needs to have a specific time allowance.

VII. MOTION

Commissioner Fenneman made the motion to table the approval of the amended petition for a temporary special use for the property at 7220 State Park Road and to reopen it at the next Planning & Zoning Commission Meeting.

Commissioner Foster seconded the motion.
