Mr. Borke stated that he is seeking a dealer license to buy and sell vehicles during slow periods of the existing auto body repair business. He would buy wrecked vehicles, restore them and then sell them. The wrecked/damaged vehicles would be stored behind the

fence out of site of the public. Chairman Gauger asked Mr. Borke if the vehicles for sale would be displayed at the property. Mr. Borke explained that he would have to display as many vehicles as required by the state in order to obtain his license. He believes the minimum amount of displayed vehicles is three (3).
